

# Brandt Lab Classes

Veronica Brandt

June 23, 2023

## 0.1 Past Courses

- One day music/singing workshop - chant, voice production, rounds, percussion, depending on interest
- Zoom classes on singing 30 minutes a week for one term
- 5 sewing lessons in person on making clothes for teddy bears, half an hour each or as long as interest lasts

## 0.2 Possible Future Ideas

- Crochet
- Knitting (sock knitting is a favourite)
- Origami
- Making skirts with pockets!
- Programming - Scratch or using Linux or Raspberry Pi - Veronica would love an excuse to get a [BBC micro:bit](<https://microbit.org/>) Unfortunately the Creative Kids program has stipulated that funds cannot be used for materials any more.
- Typing up Gregorian chant with Gregorio
- Designing webpages - html, css, wordpress
- Typesetting documents in LaTeX
